

What Members Say

"This is a place to get business support and assistance from peers."

"It's a blessing to know other Christians in business who share my faith and values."

"Meeting with people who share our beliefs helps us stay on track. It helps me keep the Lord in my thoughts during business transactions."

"When I attend Lutheran Entrepreneurs I am reminded to do the right thing, and encourage others to do the same."

"The reason that I joined was to be around like minded people."

"The most important thing about joining is support of the members. ... it is great to see our businesses grow. However, the friendship is more important to me."

"It is enriching to share with Christian colleagues the ways we integrate our faith with business activities."

Mission

Events in the twenty-first century indicate a need for business leaders to cultivate ethical business practices based on Biblical principles. This can be a particularly intense calling for Christian business owners, when it is compounded by their baptismal call to share in word and deed God's message of grace.

Lutheran Entrepreneurs threefold mission:

Witness - We apply our Christian faith beyond Sunday by worshipping through our daily tasks, and being open to God-given opportunities to share the Gospel with customers and co-workers.

Model - We serve the Lord as godly mentors to young workers and interns, to influence future generations of American business leaders with Biblical principles for the workplace.

Inspire - We provide leads and tips and referrals, celebrate the success of our Christian colleagues and encourage one another to operate business on an elevated level of integrity.

We pray that our businesses, in God's hands, are less for our gain than for His glory.

History

Six people attended the first meeting on April 16, 2008, held at Concordia Lutheran Church in Lakewood, Colorado. Meetings moved to the Chapel Coffee House near Bethlehem Lutheran Church. The monthly meetings began to include presentations and extended networking time.

Vision

Lutheran Entrepreneurs hopes to:

Internships - build relationships with high schools and colleges to coordinate student internships with member businesses.

Scholarships - create a scholarship fund and selection committee to award money to Christian business students.

Chapters - offer one or more new meeting options every year for the first few years or longer, to expand the organization and increase interactions among members.
